EXECUTIVE PRINCIPAL : MS YASMIN MASKATIYA, MA, NPQH, NLE

HEAD OF SCHOOL : MRS JOANNE MCKEOWN

14th September 2017

To whom it may concern,

Noelia Martin has helped us out since January of this year with a long-term absence. She has taught KS3,4 and 5 Spanish along with some KS 3 French. I also requested her whenever we needed a supply teacher, as she is our first choice.

Noelia has been a very reliable member of the team. She is highly professional, helpful, proactive, responsible and caring. I do not hesitate to recommend her in a teaching role. Her work ethic is excellent and she shows initiative in helping members of the team out when she has a free lesson, for example, intervention sessions or extra marking. Her attendance record is excellent with no absences and she is always punctual and well presented.

If you need any more information, I would be more than happy to help.

Kind regards, Mrs Mj Coomber Head of Languages Chichester High School.
